

2020 4th International Conference on Mechanical Engineering and Applied Composite Materials (MEACM2020)

MEACM
BEIJING • 2020

24-25 October, 2020 | Beijing, China

<http://www.meacm.org/>

CALL FOR PAPERS

Calling For Papers/ Abstracts/ Listeners/ Posters/Speakers/ TPC Members

2020 4th International Conference on Mechanical Engineering and Applied Composite Materials (MEACM2020) will be held on October 24-25, 2020 | Beijing, China.

MEACM2020 is hosted by **University of Science and Technology Beijing**, sponsored by **X- ACADEMY**. The conference program covered invited, oral, and poster presentations from scientists working in similar areas to establish platforms for collaborative research projects in this field. This conference will bring together leaders from mechanical engineering and applied composite materials to exchange and share their experiences, present research results, explore collaborations and to spark new ideas, with the aim of developing new projects and exploiting new technology in this field.

We sincerely invite researchers from all over the world to participate in our conference!

About Publication

Papers submitted to MEACM2020 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in **Springer Nature: Mechanism and Machine Science (ISSN: 2211-0984)**. And all papers will be submitted to **EI Compendex** and many other major databases.

Topics

Topics of interest for submission include, but are not limited to:

TOPIC1: MECHANICAL ENGINEERING

Engineer Materials
Mechanical
Precision mechanics, mechatronics
Mechanical Manufacturing and automation
Mechanics of Applied-Statics and Dynamics
Mechanics of Fluid
Mechanics of Solid
Hydraulic transmission
Mechanical-electronic engineering
Mechanical power engineering

TOPIC2: MECHANICAL SCIENCE AND TECHNOLOGY

Dynamics of machinery
Precision Manufacturing and Processing Instrument
Science and Technology
Mechanical design and theory
Gearing and transmissions
Machine elements
Robotics and mechatronics
Micro/nano mechanisms and machines
Robot mechanisms Control and application
Research and Application of dynamic performances of mechanisms and machines

TOPIC3: MATERIALS SCIENCE

Metal and metal composite
Nonmetal and metal composites
Nonmetallic and nonmetallic composites
material Composite materials
Fiber composites
Composite Materials Mechanics
Functional composites
Inorganic nonmetallic composites

For details about topics, please visit at: <http://www.meacm.org/cfp.html>

Important Dates

Submission Deadline: July 31, 2020

Notification Date: August 05, 2020

Registration Deadline: August 10, 2020

Conference Date : October 24-25, 2020

Submission

The All papers should be submitted using the submission system provided by CMT or Email.

1. Submit by CMT:

<https://cmt3.research.microsoft.com/MEACM2020>

2. Email submission: cfp@meacm.org
